

Leadership Spencer

“The Next Generation”

from the Spencer Chamber of Commerce

Leadership Spencer is an educational program, now in its 28th Year, tailored to citizens who have an interest in the community, its leaders, institutions and opportunities in the Spencer area.

Leadership Spencer is designed to identify, develop and motivate future community leaders. During this 10-week program, participants will take an active role in ensuring the growth, prosperity and quality of life in the Spencer area. In addition, all will build a leadership network among current and emerging leaders, learn about community issues, and become familiar with the rewards of volunteerism.

Leadership Spencer uses the community as our classroom as sessions are held at various locations in and around Spencer. The program begins on Monday, March 4 and continues each Monday thereafter through Monday, May 6. Class time is 3 to 5 pm.

Fee is \$195 per student, paid prior to the first class, covers transportation and all materials.
